NEIGHBORS,

As shown in the email from Ken Zeri below, Hospice Hawaii has WITHDRAWN the application to utilize 249 Nenu St. as a Medicare Certified Hospice Facility and will not be purchasing this property!

Wonderful! This shows that public input with the submission of well thought-out letters of objection from affected citizens can result in results meaningful to those affected.

Aloha Bob ,

I am writing to inform you that Hospice Hawaii will not be moving forward to close on the Nenu Street property.

We thank you for your counsel and willingness to learn more about Hospice Hawaii and our community based homes. I am also thankful for your facilitation of communication with all of the community. We look forward to future opportunities to talk with you and the community as we seek to serve East Honolulu.

Sincerely,

Ken Zeri
